

## CHILD PROTECTION POLICY

For all participants under the age of 18 in the transnational citizens' panels and the local "get to know your candidate, get to know your constituent" events of the *Parliament for the Future of Europe* project, the following guidelines apply:

### Participation

- Participants under the age of 18 must have a letter of consent signed by their parent or legal guardian to be eligible to participate.
- Permission must be granted for the use of their picture, audio, likeness by the parent/legal guardian.
- Respect for their human rights and dignity should be protected during their participation with special regard to their consent.

### Travel

- The inviting partner must designate a specific person to chaperone said participants from their place of residence and back.
- The chaperone must be fit and proper to take on such responsibility.

### Accommodation

- Underage participants must be housed in facilities safe and proper with precaution taken.

### Exposure to Risk

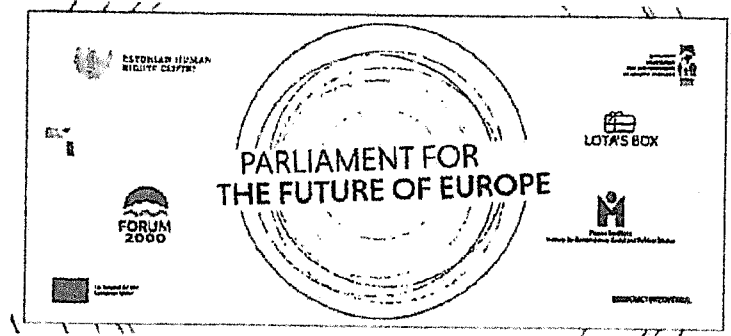

- The inviting partner must endeavor to limit the exposure of the participants to inappropriate content, substances, and activities that will endanger the health and wellbeing of said participants whilst under their care.
- When an incident occurs, the designated person must inform the parent/legal guardian of the participant and take relevant action, including medical, legal etc.
